

## Customer Satisfaction Survey Templates

Thanks for downloading our survey templates! Here they are:

- [NPS](#)
- [CSAT](#)
- [CES](#)
- [Open-ended](#)
- [Customer Satisfaction Survey \(longer\)](#)

Just click whichever one you'd like to use, then you'll be prompted to Make a Copy. Do that, and then you can edit and use your new survey however you'd like.

If you get tired of fussing with Google Forms, and you'd rather have a "control center" to operate all of your survey submissions and contact data, you can get a free HubSpot Forms account.
